Looking for a challenging role in a reputable organization to utilize my technical, database and management skills for the growth of the organization as well as to enhance my knowledge about new emerging trends in the IT sector

EXPERIENCE

MADRID SOFTWARE TRAINING CENTER | DATA SCIENCE TRAINER Delhi | oct 2022 – Jun 2023

- I have a strong ability to explain complex data science concepts in a clear and concise manner.
- I actively stay updated with the latest trends, tools, and methodologies in data science.
- I have worked on multipole tools like vs code, R Studio, MYSQL, Excel, Power Bi, Tableau, Statistics, and Machine Learning, Anaconda, Sublime Text

EDUCATION

LALIT NARAYAN MITHILA UNIVERSITY Jul 2017 - Nov 2020
BACHELOR OF SCIENCE MATHEMATICS Begusarai Bihar
Percentage: 58%

RBS COLLAGE TEYAI BEGUSARAI Jun 2015 - Feb 17
12H SCIENCE Begusarai, Bihar
Percentage: 54.4%

BN + 2 HIGH SCHOOL TEYAI, BEGUSARAI MAR 2014 - MAR 2015
10TH HND, MATH, SC, SST, SNK, ENG Begusarai, Bihar
Percentage: 60.2%

SKILLS

PROGRAMMING LANGUAGES :- Python Core, R-Programming And SQL
TOOLS / PLATFORMS :- Microsoft Excel, Power Bi, Tableau, Spreadsheet, Google studio, Anaconda, R-studio, sublime text, Jupiter Notebook, MySQL Workbench

MACHINE LEARNING / DATA SCIENCE :- Descriptive Statistics & Inferential Statistics, Supervised & Unsupervised Learning, EDA, Data Preprocessing, Data visualization, Data Analysis, Model Building

SOFT SKILLS :- Problem Solving, Critical Thinking, Time Management, Communication, Teamwork, Patience

PROJECTS / OPEN-SOURCE

STOCK MARKET ANALYSIS | LINK Power Bi, Google studio, Excel

- With this Project i have got lots of insights. some insights given below.
- Which industry has high Marker price Last one Year price and current Price.
- For More information please visit my GitHub link.

MOVIE RECOMMENDATION | LINK Python, Machine Learning, Statistics, sklearn, nltk

- Building a movie recommendation system involves a combination of data processing, feature engineering, model training, and evaluation. By leveraging machine learning techniques, these systems can provide users with personalized movie suggestions
- For More information please visit my GitHub Link.

CAR-EX-SHOWROOM PRICE PREDICTION | [LINK](#)

Python, Machine Learning, Statistics

- With the help of this project i have created a machine learning model to predict the Car price of ex-showroom car.
- In this project i have done data cleaning, Feature engineering, Performed EDA.
- For More information please visit My GitHub link that Given Above.

SMS SPAM DETECTOR PROJECT | [LINK](#)

Python, statistics, machine Learning, nltk

- In this project I have classified the spam messages and Ham messages with the help supervised learning classification.
- With the help Natural language toolkit I found the top 30 spam word that is used in spam messages and top 30 Ham word that is used in Normal messages.
- For more information please watch my Notebook that's given on GitHub Link

Nike Sales Analysis Project | [LINK](#)

Power BI, Excel, Python and MySQL

- I have created power Bi Dashboard of Nike sales Analysis and fond lots of Insights
- Same work done in Python and visualized with matplotlib and seaborn and perform on MySQL.
- Please visit to see the complete project of Nike sales given Link or LinkedIn also.

CERTIFICATION

- | | |
|---|--|
| 1. Madrid Software training Center, Saket Delhi
Diploma In Data Science | March 2022 to March 2023 |
| 2. Lakkhi Institute of Advance Technologies Private limited
Advance Diploma in Computer Application
Grade :- A+ | April 2015 to May 2016
Begusarai, Bihar |

ACHIEVEMENTS

- | | |
|--|------------------------|
| 1. HackerRank 5 th Star Badge in Python LINK
I have got 93k rank out of 20 Million ranks | Coding Platform Python |
| 2. HackerRank 5 th Star Badge in SQL LINK
I have got 98k rank out of 20 Million ranks | Coding Platform MYSQL |

LANGUAGE

1. HINDI
2. ENGLISH

HOBBIES

Cricket, Travelling, Creating Dashboard in power BI
